Medical Policy

Effective: March 16, 2023

All parents and legal guardians registering their children for TAV College Summer Camp understand and accept the following medical policy:

- Asthma, allergies, and other medical issues must be disclosed on the application form in order for TAV College Summer Camp to provide the necessary accommodations.
- Any medicine or treatments that children need to bring to the TAV College Summer Camp must be provided by their parents or legal guardians; the Summer Camp is not liable for acquiring any prescriptions or treatments.
- It is not the responsibility of TAV College Summer Camp to provide any medication or medical treatment to the participants. The parent or legal guardian must provide the children specific instructions before allowing them to administer their own medications and/or treatments. TAV College Summer Camp will contact a parent or legal guardian in case of illness or medical emergency in order to proceed appropriately.
- You will be notified and requested to pick up your child(ren) if they become ill while at camp. If you are unavailable, an emergency contact will be notified.

The parent or guardian understands that these TAV College Summer Camp terms, conditions, policies, and conducts are subject to modification at any moment. Notwithstanding any modifications, you continue to acknowledge and accept the aforementioned terms, conditions, policies and conducts.
